B. Completing the Required Sections

► ALL student applicants must complete the Financial Statement (SECTION I on page 3).

► The Personal or Sponsor’s Affidavit of Support (SECTION II on page 3) must be completed by any family members or sponsors, who will be providing funding for the student, and by any students who are providing their own funding. (Some students will need to submit more than one Affidavit if they have more than one sponsor.)

► A completed Bank Statement (SECTION III on page 4) must be submitted as evidence of available funds for those who will be listing personal, family, or sponsor funds on the Financial Statement. (One Bank Statement must be included for each sponsor.)

► The Financial Statement, Personal or Sponsor’s Affidavit of Support, and Bank Statement must contain original signatures from the students, sponsors, and bank representatives, and all forms must be translated in English and show U.S. dollar amounts.

► Students who will be listing awards or scholarships as financial support will need to include a copy of the original “Award Letter” as documentation instead of the Bank Statement. This is the original letter from the University, Agency, or Organization which is providing the funds. The letter must include the exact amount of funding that is being awarded in U.S. dollars.

IMPORTANT NOTES:

- The figures listed on page 1 are estimates only, and are not a guarantee of actual costs. Personal living expenses will vary depending on the lifestyle of each individual. These estimates include costs for domestic travel and not international travel. University living expenses, tuition, and fees are subject to increase annually.

- All financial forms and documents must be dated within 6 months of the applicant’s residency date.

- Applicants should secure an original of all financial documentation (Bank Statements, Award Letters, etc.). You will need the original for your F-1 student visa application and travel to the United States. Please scan and email, a copy to Regent University at intladmissions@regent.edu.

- False information with regard to the completion of the Financial Certification Form is considered to be a serious matter by the U.S. government and by Regent University, which holds all applicants and students to high standards of conduct and behavior. In addition to a possible visa denial by the U.S. government, an applicant’s failure to act truthfully and responsibly with regard to the completion and submission of this form may result in judicial proceedings at the University and possible suspension after the student is enrolled at Regent. When an applicant submits this form, he/she is certifying to the U.S. government and to the University that the funding listed is indeed available, that it belongs to the actual sponsor(s) listed, and that it will be provided by the sponsors for the entire duration of the student’s degree program. If you have any questions, or if anything changes after you submit this form, please contact the International Admission Coordinator in Enrollment Support Services before you complete this form.

- If any financial information changes after you submit this form to Regent, you are required to notify the University within 2 days. When you sign the I-20 to apply for a student visa, you are certifying for the U.S. government that everything on the I-20 is true and correct, including the financial support for your education at Regent.

**Please note that you will need Original copies of all your documents when you go to apply for the visa. For Regent University’s documents you can scan copies of the original documents and email them to us. If you choose, you can still obtain original documents and mail them to Regent but it is not required anymore.**
