Campus Ministries

REGENT UNIVERSITY

Mission

Campus Ministries fosters Christian community, cultivates spiritual growth, and equips students to fulfill the great commission for every vocation.

Vision

To be catalyst that inspires every Regent student to live for the glory and kingdom of God

"After they prayed, the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the word of God boldly."

Acts 4:31 (NIV)

A Word From Our Director:

Greetings Regent Students,

Annually every Fall, Campus Ministries sponsors a Church Fair on campus to introduce Regent students to some of the local churches in Hampton Roads. Due to COVID 19, this event was canceled this year. Campus Ministries is presenting a church guide of some of the local churches in the area.

This catalog represents only a few of the wonderful churches in the area, so please don't be limited to this catalog only. It is our desire for out-of-state students or students without a church home to be connected to excellent ministries in our local area. Campus Ministries would also like to extend our special thanks to all participating ministries.

May the Lord bless you in this new academic year and bless you with intentional, and powerful spiritual formation as you connect in worship and in service with these local ministries.

-Pastor Mark Lawrence, Director of Campus Ministries
