*THEU 181 must be repeated for a total of six (6) credit hours. The student should register for THEU 181 their first six (6) semesters in residence. Transfer majors may transfer in as many as three (3) credits of any equivalent of THEU 181 approved by the program director. Late declaring majors will not be required more THEU 181 credits than semesters remaining in their course of study. To clarify, a Regent student declaring a major in theatre at the beginning of the junior year with no prior production credits would only be required four (4) credit hours 110 in THEU 181, which is the number of semesters remaining until graduation. Should the student continue study beyond the fourth year, the student would be expected to continue enrollment in THEU 181 until graduation or until six (6) credit hours have been earned. The same standard is applied to transfer students who transfer without prior or sufficient production credits on their transcript.
