² The DSL program includes two required residencies each covering 4 days. The first residency covers program orientation and guidelines, the library use course (UNIV LIB Information Research & Resources) as well as in-class instruction for the first two courses of the core curriculum. The second residency focuses on class instruction for the courses to be taken in the semester as well as doctoral program requirements such as the DSL Final Project.
³ The following courses must be completed before students will be able to register for LDSL 727 and their second residency: BUS 600/UNIV LIB, LDSL 710, 718, 720, 722, 728, 732.
⁴ Prerequisites for LDSL 861 & LDSL 862 are successful completion of all DSL Core Courses.
If a student needs additional time to complete the DSL Project after registering and paying for 60 credit hours, the student then continues to register for LDSL 863 DSL Project (1) for each semester until the project is successfully completed and defended.
