TOTAL CREDIT HOURS REQUIRED 116**Notes**

₁ 12 credit hours of electives required. Any of the PSY courses can be used as electives for the Psy.D. program. Students may not take a full year (split into 1 credit per term) elective past their third year. All elective requirements must be met by 4th year fall term.

₂ Students who have failed to defend their dissertation by end of PSY 703 must sign up for an additional credit of Dissertation Continuance (Psy 704) each semester until the dissertation is successfully defended and submitted to Proquest.

₃ Students who fail to complete probe requirements for any probe courses during the term they are taken will be required to register for PSY 791 the following term (for each probe course where a probe requires a retake and or remediation).
