- 50% of all major requirements must be taken at Regent University.
- Please reference Degree Works for course pre-requisite information.
- As a general rule of thumb, 100 and 200 level courses should be taken prior to upper level (300 and 400) level courses.
- This major leads to initial teacher licensure. Please see the Undergraduate Catalog, Teacher Education section, for specific requirements for application to the professional studies courses (UED), pre-service teaching, and licensure.
- *Course also required for the major.
