## Annual Security and Fire Safety Report

Providing a safe and secure campus is a top priority at Regent University. In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and safety-related requirements of the Higher Education Opportunity Act, Regent University is required each year to publish an Annual Security Report and an Annual Fire Safety Report. The University has elected to publish these two separate reports together, in a single document titled “Annual Security and Fire Safety Report.” The University’s current Annual Security and Fire Safety Report is available at the following web address: <https://www.regent.edu/about-regent/regent-university-police-department/>. The University also will provide a paper copy of our most recent report upon request.

The Annual Security Report discloses information concerning campus safety and security policies and procedures, as well as statistics regarding certain types of crimes reported to Regent University Police and local law enforcement during the prior calendar year. Among other things, the report includes policies and procedures relating to campus law enforcement, reporting of crimes and emergencies, security awareness, substance abuse, Title IX, and support resources for victims of crimes.

The Annual Fire Safety Report discloses fire safety policies and fire statistics for on-campus student housing facilities. Additionally, the report discusses fire safety systems, fire drills, rules relating to portable electrical appliances, evacuation procedures, and fire safety training.

Together, these reports provide students, prospective students, employees, and prospective employees with key information regarding the security of the campus and surrounding areas, and ultimately, create a safer, more secure campus environment.

To request a paper copy of the current Annual Security and Fire Safety Report, or for assistance with any of the information discussed therein, individuals may contact Student Life during regular business hours. Requests also may be e-mailed to [stusrv@regent.edu](mailto:stusrv@regent.edu).

Sincerely,

Office of Student Life
