## Drug and Alcohol Abuse Prevention Survey

Following the guidance found in the *Drug-Free Schools and Communities Act*, the University's Substance Abuse Prevention Committee would like to get feedback and input from faculty/staff. This annual survey is required as part of the University's biennial Drug and Alcohol Abuse Prevention Policy (DAAPP) review. Responses to this survey are anonymous and will be kept confidential. Please complete this short (approximately 10 minutes) survey by clicking here: [2020 DAAPP Survey](#).

We thank you for participating in this research!
