[Are You Registered to Vote?](#)

Are you registered to vote? Do you need to update your registration because you recently moved, or make arrangements to vote by absentee ballot? Regent University wants all students who are eligible to vote to be sure they are able to do so, therefore we created a page with resources at www.regent.edu/vote.

At this site, regardless of what state you live in, you can:

- o Check your registration status
- o Register to vote (Virginia voter registration applications must be postmarked by October 15, 2019)
- o Learn about absentee voting

Did you know that one in every seven Americans thinks they are registered to vote, but aren't? Don't be surprised on election day! Visit www.regent.edu/vote and check your status!
