To achieve the remarkable, you have to do things you’ve never done before. Think bigger. Work harder. Stretch further in knowledge and faith, together.

Developing the potential in you is a priority at Regent University — ranked among top national universities by U.S. News & World Report. We’ll help you develop skills and character that set you apart and build your career.

For more than 40 years, we have graduated award-winning business and technology professionals, teachers, ministry leaders, media specialists, and others who are changing the world. You too will be challenged to excel both in mind and spirit — to reach for personal excellence and change lives for the better.
THE WAY OF EXCELLENCE

High-quality academics. Biblically centered focus. Emphasis on skills employers seek. Regent degree programs give you the foundation you need to excel in your career and life.

Industry Ready
Professional credentials, knowledge, and skills are required by organizations and employers. Regent’s academic programs provide concrete, discipline-specific training relevant to your field to prepare you for today’s workforce.

Workplace Ready
You’ll also develop critical soft skills, such as problem-solving, decision-making, writing, and collaboration. Today’s employers say these skills matter more than ever.

Leadership Ready
What ultimately sets you apart personally and professionally? Your commitment to principled leadership. At Regent, you’ll be challenged to think critically, reason morally and live out your calling.

“ALWAYS EXCEL IN THE WORK OF THE LORD …”
