

Pre-Health with Biology Honors Institute

June 27 – June 30 | 8:00 – 12:00 DAILY | \$75 SUPPLY FEE

Housing not provided

REGENT UNIVERSITY SCIENCE LAB | CLASSROOM BUILDING – ROOM 107

The 2022 Pre-Health and Biology Honors Institute is an intensive four day Pre-Medical/Biology program for high school students interested in medical, dental, veterinary, pharmacy, physician assistant, optometry school or graduate studies in medical sciences or biology. Explore the advantages of integrating science and faith through an academically excellent degree program.

Tour Regent's premiere science lab.

Participate in hands-on laboratory experiments including a forensic fetal pig autopsy, epigenetic DNA extraction lab, chemistry drug testing lab and more.

Meet Regent students and professors. Learn about Regent's versatile biophysical science degree.

Participate in discussions about epigenetics, nutrition, and the Bible.

Application includes essay and letter of recommendation.

Questions: Email Dr. Patricia Lutz

HURRY! [APPLICATION DEADLINE IS MAY 31, 2022](mailto:plutz@regent.edu) plutz@regent.edu (Rolling admission)

Questions: Email Dr. Patricia Lutz: plutz@regent.edu
