Number of Completers in (AY 2021 -22)	0	9	9	3	0	0	1
Number of Students enrolled in current academic year (FA22)	0	61	67	3	7	14	4

*The Elementary Education PK-6 Master's level program was closed in FA20 and is in a teach-out phase.

Although the M.Ed. Elementary program had enrolled students at the time for reporting, no students completed the program during the 2018-19 reported academic year.

Secondary Education programs reporting 0 completers in 2017-18 were relatively new then, and therefore students had not yet matriculated in these programs.
