About

MISSION STATEMENT

To equip Regent Royals student-athletes to be Christian leaders defined by their pursuit to emulate the character of Christ. This exemplary pursuit of Christ-like character is consistent with our “Winning with Character” approach to athletics.

VISION STATEMENT

To develop Christian student-athletes that influence the intercollegiate athletic culture and ultimately become Christian leaders to change the world for Jesus Christ.

WINNING WITH CHARACTER

Regent University’s transformational approach to athletic competition equips student-athletes to be winners first and foremost in Christian character; competing to win yet transcending the scoreboard to be Christian leaders to change the sports world.

BRAND IDENTITY

Primary Logo

(Known as the Cipher)

The primary logo known as the cipher is comprised of two elements: the letter "R" adorned with a crown. The crown comes from the original crown used in the Regent University Crest representing the Lord's sovereignty over all.

The Cipher is provided in 1-color and full-color variations.

Full-color version for use on white and blue backgrounds.

1-color version for use on color and dark backgrounds.

DO NOT RECREATE

Do not separate, manipulate, re-color, or alter the logos in any way. All logos have been optimized for output in each color scheme, with separate files for both light and dark backgrounds. Use only official logos provided.

X = the height of the crown. This should be used as the guide to measure safe space around the logo.

White space around the logo is essential to ensure its clarity, visibility, and impact. The safe space provides a buffer that separates the logo from other elements, preventing visual clutter and preserving its integrity. No text or graphics should intrude into this area to maintain legibility and to allow the logo to be instantly recognizable. This designated space helps the logo stand out and be easily identified, regardless of the surrounding content or background.

Logo Lockups

REGENT
ATHLETICS

The logo lockups are comprised of three elements. The Cipher, the word "Regent" typeset in a serif typeface and "Athletics" typset in a sans serif typeface.

There are a variety of official logo lockups where the sans serif type has been changed out for individual sports and other specific needs. These can be seen on pages 9 and 10.

The logo lockups are provided in full-color to be used on white backgrounds and 1-color to be used on dark and colored backgrounds.

DO NOT RECREATE

Do not separate, manipulate, re-color, or alter the logos in any way. All logos have been optimized for output in each color scheme, with separate files for both light and dark backgrounds. Use only official logos provided.
