

Dear _____

I am excited about the opportunity to join Regent University Psychology and Counseling graduate students on a Cross Cultural trip to Uganda, Africa July 10-20, 2020. Regent students will be partnering with Uganda Christian University to:

- Learn about mental health issues and counseling in Uganda
- Provide a conference for students and faculty at Uganda Christian University
- Visit the local mental health hospital(s), orphanage and churches
- Embrace the culture.

I am writing to ask you to partner with us in prayer as we plan and prepare to minister to the people of Uganda. Some specific prayer needs are:

- A special understanding of how to share God's love to the people we encounter
- Fruitful training sessions that will better equip the mental health professionals in Uganda to better serve their clients, churches, and communities
- Personal and professional growth for all participants
- Safety and good health for those who are traveling

The total cost for each team member to attend is \$3,065.70 which will cover travel, food and lodging. Would you please pray about helping us make this vision a reality? If you are able to make a financial contribution to the trip, please complete the attached Regent Donation form and mail it in the enclosed envelop. Please write your check to Regent University, but do NOT put the team member's name on the memo line of your check. Instead, please write "Uganda 2020". Donations are tax deductible and you will receive a receipt from Regent University if these instructions are followed. Please also know that this is considered a *donation* and money will not be refunded.

Thank you! Your prayers and supported are much appreciated!
