

Completer Satisfaction (Initial & Advanced – VEAC)

VEAC completer survey results for 2024–2025 indicate that Regent University graduates report high levels of satisfaction with their preparation, with an overall mean rating of **4.82** for initial licensure and **4.15** for advanced programs on a 5-point scale. These ratings indicate that completers are “mostly” to “fully” satisfied with their preparation and reflect strong confidence in their readiness across key professional competencies.
